Lynn Bria

HEAD COACH

Charleston (WV), 1990
Sixth Season at Stetson

A three-time Atlantic Sun Conference champion as a head coach, Lynn Bria enters her sixth season at the helm of Stetson women's basketball program.

In just the last three seasons Bria has turned the Hatters into a formidable force in the Atlantic Sun. She has guided the Hatters to two conference titles, two NCAA Tournament appearances, a WNIT bid, and three 20+ win seasons. In fact, Stetson is just one of three schools in the state of Florida to post over 65 victories since the start of the 2010-11 season.

The 2012-13 season was one for the history books as the Hatters set numerous team records and captured their second A-Sun title in the past three seasons. Bria

helped lead the Hatters to a school-record 24 wins overall, a 12-1 record at home, a school-record 14 wins in A-Sun play, and winning streaks of 11 straight overall and 16 in a row at home. In the A-Sun Championship game, Stetson rallied from a 15-point second-half deficit to defeat top-seeded and previously undefeated FGCU 70-64, and then earned their highest-ever NCAA Tournament seed (14) and an appearance in the Columbus, Ohio regional against UCLA.

In 2011-12, the Hatters won a school-record 23 games and advanced to the postseason for the second year in a row, participating in the WNIT for the first time in school history. Three players earned All-Atlantic Sun

honors including A-Sun Player of the Year and All-Tournament Team selection Victoria McGowan, who led the nation with three triple-doubles. Also honored were Second Team All-Atlantic Sun forward Sasha Sims and A-Sun All-Freshman Team forward Cherisse Burris.

Bria's 2010-11 Hatters won 20 games for the first time in 10 seasons, captured their third Atlantic Sun Conference tournament championship and advanced to the NCAA Tournament for the second time in school history and first time since 2005.

Stetson's turnaround under Bria from 6-24 to 20-13 (+12.5 games) was the second largest improvement in NCAA Division I women's basketball. Honors that came to members of the team included A-Sun Tournament MVP (Victoria McGowan), A-Sun All-Tournament Team (Tierra Brown, Sasha Sims), Second Team All-Atlantic Sun (McGowan), A-Sun All-Freshman Team (Sims), A-Sun Player of the Week (Natasha Graboski) and A-Sun Newcomer of the Week (McGowan twice, Sims). Graboski went on to sign a professional contract with Alexandria of Romania's Division 1 League in the summer of 2011.

In 2009-10 Bria led the Hatters to their seventh consecutive A-Sun tournament appearance. Stetson earned six conference victories, including a December 16 win over USC Upstate that led to forward Jessica Conner receiving A-Sun Player of the Week honors. The Hatters also defeated Jacksonville, Lipscomb, North Florida, and Kennesaw State twice.

In her first season at Stetson, Bria coached the Hatters to eight victories, including the program's first victory against an RPI Top 100 opponent (FGCU, 12/4/08) in the 10 years since online data has been kept. She also made an immediate impact on the recruiting trail as her 2009-10 incoming class was ranked by Michael T. White's noted scouting service All-Star Girls Report as the best in the Atlantic Sun and in the top third of all NCAA Division I teams.

Bria has coached women's basketball for 20 years with 14 seasons of Division I head coaching experience to her credit at UCF, Ohio University and Stetson. In addition to coaching, she has extensive classroom experience at the university level and is committed to developing young women both athletically and academically.

Prior to joining the Hatters, Bria spent the previous two seasons as an assistant coach at top-level programs West Virginia (2006-07) and most recently the University of Miami. Her excellent recruiting skills led to the Hurricanes signing a Top 25 incoming class according to recruiting experts at www.HoopGurlz.com. With WVU, Bria served as recruiting coordinator in addition to her on-court coaching duties. Her leadership helped the Mountaineers achieve one of their best seasons in school history, which featured an at-large bid to and second round appearance in the NCAA Tournament as well as the second-largest turnaround in W-L record in Big East Conference history (15-16 to 21-11 overall and from 4-12 to 11-5 in Big East games).

From 1999-2006, Bria was the head coach at Ohio University in Athens, Ohio. She is second all-time in career wins at Ohio and was the first coach in Bobcats

THE HEAD COACH

history to sign a recruit that would become Mid-American Conference Freshman of the Year. Bria's first-year players earned MAC All-Freshman honors three consecutive years; only seven other players in the 20+ year history of the program had done that. In addition to coaching, Bria also taught a class in the Education department.

Prior to taking the position at Ohio, Bria led UCF for three seasons from 1996-99. Her final Golden Knights team in 1998-99 was the TAAC (now Atlantic Sun) regular season and tournament champions and appeared in the NCAA Tournament. For her efforts, Bria was named the 1998-99 TAAC Coach of the Year. In just three seasons, she ranked second in career wins at UCF and was 6-1 against the Hatters.

Bria's first head coaching position came at Division II Texas Woman's University in Denton, Texas for three seasons from 1993-96. At the age of 24, Bria was the fourth-youngest head coach in the country when she was hired. She coached the team, coordinated fundraising and taught in the Kinesiology department in addition to serving on the NCAA Division II Tournament regional selection committee. Her Pioneer squads won more games each year of her tenure than the one previously.

Her first three years out of college at the University of Charleston (West Virginia) were spent on the coaching staffs at Marshall (where she obtained her Master's degree in 1992) and Radford, where she helped lead the Highlanders to the Big South regular

season and tournament titles in 1992-93.

A standout performer for the Charleston Golden Eagles, the Class of 1990 graduate was inducted into her alma mater's Athletic Hall of Fame in 2003. She scored 1,146 points in her career, averaging 10.3 points per game and was a 75.3 percent free throw shooter over her career.

A member of the Women's Basketball Coaches Association and the Fellowship of Christian Athletes, Bria is an avid runner who has completed three marathons. The native of Charleston, W. Va. has had her high school jersey retired by Charleston Catholic High School.

2012-13 ATLANTIC SUN CHAMPIONSHIP RECAP

March 6, 2013 • University Center • Macon, Ga. **Stetson Survives ETSU 66-55 in A-Sun Quarterfinals**

Stetson's three all-conference performers combined for 53 points as the second-seeded Hatters survived a hard-fought battle with seventh-seeded ETSU 66-55 in the Atlantic Sun quarterfinals Wednesday night at Hawkins Arena.

Shanasa Sanders and Sasha Sims each scored 18 points and Victoria McGowan added 17 points as the Hatters (22-8) advanced to play the Mercer-Jacksonville winner in a semifinal game at 2:30 p.m. Friday.

"It's about time," Stetson head coach Lynn Bria said light-heartedly when asked about the big nights from McGowan, Sanders, and Sims. "Usually it's one of them or two of them, and I've waited three years but it's about time they all played well in the same game. I don't know why they waited so long, but I'm thankful it was today because we needed it."

ETSU junior Destiny Mitchell scored 15 first-half points to help stake the Lady Bucs (8-18) to a 29-28 halftime lead. The Hatters still trailed by one early in the second half when a 12-0 run put Stetson ahead to stay. Ashley Dennis, Sanders, and Sims all hit from behind the arc during that stretch.

ETSU was able to close the gap to five with 1:22 remaining, but four free throws by McGowan and key steal by C.J. Coddington helped seal the victory.

"I thought it was an ugly game overall," Bria said. "We were not very aggressive in the first half, and the tempo was more of their pace. In the second half we came out in the first five minutes and played more of a tempo that we wanted."

Sanders had just four points at halftime but hit four straight shots to start the second half and picked up a key block on the defensive end. She added seven rebounds, four steals, and two assists to her 18-point effort on the night.

"I felt I was very passive on offense and defensive in the first half, so coach told me to be more aggressive on both ends of the floor," Sanders said.

Cherisse Burris added six points and seven rebounds for Stetson, while McGowan dished out five assists.

"ETSU played a good game and had a good gameplan," Bria said. "I thought their zone defense was effective, but once we got used to it we started to do a better job against it in the second half."

Mitchell finished with 23 points to lead ETSU.

The Hatters will enjoy a day of rest on Thursday and await their next opponent for Friday's semifinal. Top-seeded FGCU won Wednesday's other women's quarterfinal game 73-47 vs. Kennesaw State.

March 8, 2013 • University Center • Macon, Ga. **Hats Down Bears to Advance to A-Sun Championship**

The Stetson women's basketball team advanced to their third straight Atlantic Sun Conference championship game by defeating Mercer 67-52 in the A-Sun semifinals Friday afternoon at Hawkins Arena.

Sasha Sims scored a team-high 19 points and Victoria McGowan added a 12 points and 11 rebounds for the Hatters (23-8) who will now face top-seeded FGCU at 5:30 pm Saturday with a trip to the NCAA Tournament at stake.

Stetson, which tied a school-record with its 23rd win of the season, received a 17-point, eight-rebound effort from Shanasa Sanders and 10 points from Cherisse Burris off the bench.

"It was a great game," Stetson head coach Lynn Bria said. "I thought overall our offense and defense were good. We played a little bit of a zone in the first half, but I felt like the zone bothered them in the second half and that was the difference."

A slow offensive start for both teams led to a 10-10 tie through the first 12 minutes of the game. McGowan broke the tie with a three-point play, and Sims converted a fastbreak lay-up to put Stetson ahead 15-10 at the 6:47 mark. Mercer fought back, pulling within 22-21 with a minute remaining in the half, but Sims drained a three-pointer at the buzzer to give the Hatters a 25-21 halftime lead.

"I'm glad the shot went in because it seemed like nothing else did," Sims said. "I think it gave us a little boost (going into halftime)."

The Hatters surged into the lead as Burris collected back-to-back buckets in the post and Sanders followed with a 15-foot jumper forcing Mercer to call a 30 second timeout.

"Cherisse was fantastic," Bria said. "She was so aggressive and just attacked the basket. She was a big difference especially in the second half. She got us a few key baskets when (Mercer) closed the gap."

Stetson's offense continued to flow, and a brilliant tic-tac-toe passing play between McGowan, Jama Sharp and Sanders capped a 10-0 run and put the Hatters ahead 50-38 at the 8:41 mark.

"I thought in the first half we settled a lot for jumpers," Bria said. "I don't think we attacked the basket very well. In the second half we did a much better job of attacking and getting in the paint."

While the three-point shot was not falling for the Hatters, Stetson did score 42 points in the paint and got to the free throw line 19 times.

McGowan became just third player in school history and 25th player in A-Sun history to surpass 1500 career points. It was also her 14th career double-double performance and fifth this season.

CHAMPIONS! Stetson Captures A-Sun Title • March 9, 2013 • University Center • Macon, Ga.

As Stetson finished its pregame warm-ups Saturday and headed to bench for player introductions, the pep band, cheerleaders, and Hatter fans all started chanting, "I believe that we will win!"

The players must have believed it, too.

Stetson pulled off a victory for the ages, rallying from a 15-point, second-half deficit to shock top-seed and undefeated FGCU 70-64, capturing the 2013 Atlantic Sun Conference Championship and the league's automatic bid to the NCAA Tournament.

"This is so unbelievable and I never felt anything like this," sophomore C.J. Coddington said during the postgame celebration. "I am so excited and so proud of my teammates. We couldn't have done this without each other and our coaches."

Sasha Sims broke a 64-64 tie with a 10-foot jumper to the left of the lane with 21 seconds remaining, and Cherisse Burris rebounded a missed three-point attempt by Joyce Jamerson in the closing seconds and the celebration was on.

"I heard the crowd and the bench went crazy, but I was just trying to put the ball in basket," Sims said. "I was trying to find the open man but couldn't find anyone, so I knew I had no choice but to shoot it and make it."

The Hatters played tenacious defense in the first half inside the paint, but FGCU knocked down nine three-pointers to take a 40-27 lead at halftime.

"We knew we were going to have to fight," Stetson head coach Lynn Bria said. "We knew it was going to be a battle. I just felt like if we could stay close then we would have a real chance to win the game."

"I felt like the start of the second half was a real key," Bria added. "The last couple times we played them they jumped out on us in the start of the second half. We just hung in there. We got stops when we needed it. I'm just proud of our entire team. It really was a total team effort."

Trailing 56-42 with 13:13 to go, the Hatters went on 9-0 run to cut the deficit to three. Sims blocked Sarah Hansen twice on back-to-back shot attempts, then ran the floor and finished off a three-point play.

The chants of "Let's Go Hats!" continued to grow louder from the crowd.

"It helped a lot to hear that," senior Shanasa Sanders said. "Coach talked to us before the game about people not believing in us, but when we heard the band and the Stetson fans behind us, we knew we had to do it. In the huddle we said, 'It was now or never.'"

The teams traded points down the stretch until Coddington tied the game with a free throw at the 1:33 mark. Burris put Stetson in front for the first time since early in the game with 54 seconds left.

"I am so excited," Burris said after the game. "This is my first time winning conference. I finished second every time in state (high school), and I couldn't be any happier. I love my team."

The Eagles (27-6) weren't done as Jamerson, the tournament's MVP, hit a tough shot while falling down to knot the game at 64. It would be the last points for FGCU.

Sims knocked down the go-ahead jumper and Burris and Sanders hit four final free throws to cap the improbable comeback. The Eagles had won 41 consecutive conference games (including the postseason) over the past two seasons, but that streak ended Saturday.

Sims led four Hatters in double figures with 15 points. Victoria McGowan and Burris each scored 14, and Sanders chipped in 12. Stetson outscored FGCU 43-24 in the second half.

"It's an incredible feeling," said McGowan, who along with Sims was selected to the all-tournament team. "It was the championship game and we knew we had to come out with a win."

Stetson (24-8), which won its school-record 24th game of the season, will be heading to the NCAA Tournament for the third time in school history, and for the second time in the last three years. The Hatters will find out its destination on Monday March 18 in the tournament selection show on ESPN.

Sidebar: Hatter Seniors Go Out as Champions

They got to taste the thrill of victory two years ago, and the heartbreak of defeat last year. For the Hatter senior class, they will one day be able to remember the night they pulled together to overcome adversity and huge odds in order to close their careers as conference champions.

"I am so happy," said senior Janelle Mills, who played in her 129th career game. "This is so important because it's our last year, and to share it with people who have been here since my freshman year is so special. I am just so happy to go out as a champion. It is so amazing."

Fellow senior Ashley Dennis had a strong outing in the championship game, collecting eight points and three rebounds while drawing a charging call against the Eagles' Sarah Hansen.

"Words cannot express what I am feeling," Dennis said. "We have been through so much and we have made it again. This is the best way I ever could have imagined to end my senior year. I am so, so excited."

Shanasa Sanders had a feeling back in February that the Hatters might just finish the season on a high note.

"I remember telling Victoria (McGowan) after the second time we lost to (FGCU) that maybe it was a sign that we were saving our best for last," Sanders said. "The third time was the charm, we stuck together today and got a win."

McGowan, one of the most decorated athletes in Stetson history, has now helped lead the Hatters to two NCAA Tournaments in the past three years.

"After losing last year, coming back and winning means so much for the seniors, and everybody else on the team," McGowan said. "Everybody on the team just believed, and that's what got us the win."

When asked how special the senior class was and how much they meant to her, head coach Lynn Bria started to get choked up.

"I don't know if I can do that," Bria said. "They mean everything to me. I get a front row seat to see them all the time. I don't pay for it. I just get to sit there and watch some great basketball. We have a lot of fun together off the court, and that's what I am going to miss."

"They have meant everything to me, they are a very special class, and I don't know if I will ever be able to experience it again as a coach," Bria added. "They are just that special."

Sidebar: Sasha Sims's Second-Half Effort Lifts Stetson

She only received one vote for tournament Most Valuable Player, but without her heroic second-half effort against Florida Gulf Coast in Saturday's championship game, the Hatters would never have been crowned A-Sun champs.

Junior Sasha Sims scored 12 of her team-high 15 points in the final 20 minutes, recorded a career-high five blocks, and scored the game-winning basket with 21 seconds remaining to lift Stetson to an improbable 70-64 victory over the Eagles.

Even more impressive about Sims's performance was that she spent nearly the entire first half on the bench, after picking up her second foul just four minutes into the game.

"After I got in foul trouble I just tried to stay positive," Sims said. "I was cheering them on from the bench. You can't become selfish and just focus on what you have going on. I just kept focusing on the team, and eventually the game came back around to me."

Sims began the second half by hitting her 100th career three-pointer, cutting the FGCU lead from 15 down to 12. An offensive rebound and putback at the 16:25 mark trimmed the lead to 11.

The block party began with a little under nine minutes remaining when Sims stuffed back-to-back shot attempts by Sarah Hansen. Sims then ran down the floor and received a pass from Victoria McGowan before hitting a lay-up and converting a three-point play.

"Those blocked shots are momentum shifts," head coach Lynn Bria said. "I told her just stay and help as much as you can, because we knew they were going to isolate and try and drive. We tried to keep her around the basket as much as we could and she did a great job."

Sims added three more blocks over the next four minutes to keep the Hatters within striking distance, then with the score tied at 64 in the closing seconds, Sims hit a 10-foot jumper to the left of the lane to give Stetson a lead it would not relinquish.

"I heard the crowd and the bench went crazy, but I was just trying to put the ball in basket," Sims said. "I was trying to find the open man but couldn't find anyone, so I knew I had no choice but to shoot it and make it."

Sims, along with McGowan, was selected to the all-tournament team. However, personal accolades took a back seat for Sims to the importance of winning the championship for her teammates.

"This morning I woke up and I texted (Shanasa Sanders and McGowan) and told them we were going to win the championship because they deserved it," Sims said. "I felt like I had 40 minutes left in me and that was what I was going to give, no overtime, none of that. We were going to win the game period."

Win it, Stetson did, thanks in large part to Sims.

NOTES: 1) The Hatters played in the AIAW from 1977-1982. The NCAA began sponsoring women's basketball in 1981-82. The AIAW folded after one year of joint sponsorship. 2) While most of Stetson's home games have been played at the Edmunds Center, from the 1985-86 season to the 1988-89 season, the Hatters played some home games at the Ocean Center in Daytona Beach. 3) Stetson was a charter member of the New South Women's Athletic Conference (NSWAC) from 1985-86 to 1990-91. The Trans America Athletic Conference (TAAC) absorbed the NSWAC in Spring 1991. The TAAC changed its name to the Atlantic Sun Conference in June 2001.

THIS IS ... THE ATLANTIC SUN CONFERENCE

For 35 years, the Atlantic Sun Conference has supported its member institutions in providing intercollegiate athletics programs committed to Building Winners for Life. The A-Sun accomplishes this mission by maintaining the highest standards in academic and athletic achievement, creating a balance between student and athlete. Adding an emphasis on sportsmanship in the competitive arena and fostering leadership opportunities through community service, the A-Sun, its member institutions and its student-athletes aim for an overall educational experience that is successful in Building Winners for Life.

BUILDING

The student-athletes of the A-Sun consistently achieve academic accolades on a national level ...

- As a whole, 64 percent of all student-athletes earned All-Academic status after achieving at least a 3.0 GPA last year. Each of the totals for Presidential Scholar (3.8+ GPA), Commissioner Scholar (3.6-3.79 GPA) and Conference Scholar (3.4-3.59 GPA) were above those for 2011-12.
- The A-Sun recognized 1,500 student-athletes as All-Academic selections, a total also up from last year by 84.
- For the fourth consecutive year, the A-Sun had at least 90 percent of its teams earn the NSCAA Team Academic Award for posting a team GPA of 3.0 or better.
- The Atlantic Sun Conference set a new high with seven teams receiving the American Volleyball Coaches Association (AVCA) Team Academic Award for the 2011-12 season by their maintaining at least a 3.30 cumulative team grade-point average on a 4.0 scale or a 4.10 cumulative team GPA on a 5.0 scale. The A-Sun's total ranks it in a tie for second among the 31 NCAA Division I conferences. The A-Sun's total ranks it in a tie for second among the 31 NCAA Division I conferences.

WINNERS

... while performing at a high level in the competitive arena ...

- The A-Sun placed a conference record of four women's basketball teams in postseason play, including Stetson in the NCAA Tournament.
- FGCU men's basketball's historic postseason run includes its first A-Sun title, becoming the first 15-seed to make the Sweet 16 of the NCAA Tournament and the first A-Sun team to advance to the Sweet 16.
- Softball continued its pursuit of becoming a multi-bid sport in 2013 as the league posted the eighth-best RPI in the NCAA, its fifth straight season being ranked in the top-12 and boasted seven top-100 teams including Stetson (85).
- Men's Golf continued to grow into one of the conference's strongest national sports. North Florida became the first A-Sun team to claim a NCAA Regional title in Tallahassee, while Kennesaw State also returned to the NCAA Regionals for the third straight year. Representatives of four schools also participated in NCAA Regional play in 2013.
- The A-Sun conducted its inaugural season of women's acrosse, the second of three sports the A-Sun has added since 2011. The A-Sun also became the first Division I conference to receive an automatic bid to the AVCA Sand Volleyball National Championship.

FOR LIFE!

...and at the same time preparing themselves to become valuable members of their community.

- A total of 84 A-Sun teams met or exceeded the most recent fouryear Division I APR of 974. While all exceeded the standard APR multi-year average of 900, even when using the projected future APR multi-year standard of 930, 98 percent of the 155 A-Sun teams in the 2011-12 measure posted above the average.
- The ninth annual Atlantic Sun Student-Athlete Advisory Committee (SAAC) fundraising competition raised more than \$56,000 to benefit charities selected by the SAAC at each of the 10 A-Sun institutions. The total shatters the previous high mark of 22,209.68, set just last year.
- Six Atlantic Sun Conference member institutions were named to the 2012 President's Higher Education Community Service Honor Roll, two with distinction. That number places the A-Sun among the top half of Division I conferences, as only 12 of 31 conferences had six or more schools recognized.
- Since opening in 1997, Florida Gulf Coast University has amassed more than one million service-learning hours and earned national recognition for its program.

Headquartered in Macon, Ga., the A-Sun footprint reaches into seven of the top media markets in the Southeast. Dr. Wendy Libby

UNIVERSITY PRESIDENT

Cornell, 1972

Fifth Year

Stetson University entered a new era of leadership in July 2009 when Dr. Wendy B. Libby became the university's ninth president. With a broad career in higher education and private industry, she is building on Stetson's values-centered heritage and tradition of academic excellence and community engagement.

Libby is leading a comprehensive strategic plan focusing innovation to drive Stetson from success to significance – through reinforcement of academic excellence, establishment of a Student Success program, campus infrastructure improvements and growth in recruitment and retention. She spearheaded a major landscaping and classroom improvement project and development of a DeLand Campus Plan as a guide for future growth. She has taken a progressive approach to residential life at Stetson, including introduction of pet-friendly residence halls and purchase of an apartment complex for student housing.

Athletics has grown dramatically under her leadership. Along with Director of Athletics Jeff Altier, Libby was integral in bringing football back to Stetson for the first time since 1956. Coming with the return of football was the construction of a \$6.7 million, 25,000-square foot athletic training facility, which opened in August, 2012. Other additions

include Division I women's lacrosse and sand volleyball programs, a robust Club Sports program, and a cooperative effort with the city of DeLand to renovate Spec Martin Stadium for the return of Hatter Football in 2013.

In 2010, Libby was appointed to the Mainstreet Community Bank Board of Directors. In July 2011, she was named to Volusia/Flagler Business Report's list of "Influential Women in Business."

Libby served as president of Stephens College in Columbia, Mo., from 2003-09, and as vice president for business affairs and chief financial officer at Furman University, Greenville, S.C., from 1995 to 2003. She has 28 years of administrative and teaching experience in higher education, at institutions including Westbrook College (now part of the University of New England), the University of Hartford, the University of Connecticut Health Center in Farmington, The Ohio State University and Cornell University.

A native of Brooklyn, N.Y., Libby earned her doctorate in Educational Administration from the University of Connecticut in 1994. Her undergraduate degree, in Biology with a concentration in Genetics, is from Cornell University. She earned an MBA, with a concentration in Finance, from Cornell's Johnson Graduate School of Management.

Jeff Altier

DIRECTOR OF ATHLETICS

Stetson, 1982

17th Year

Jeff Altier, a 29-year veteran of the Stetson University athletic department, is in his 17th year as Director of Athletics. During his tenure, Altier has earned a reputation as an outstanding fundraiser and a leader with an eye on the future, and is noted for his active participation in the NCAA governance structure.

Altier, captain of the nationally-ranked 1982 Hatter baseball team, earned both his bachelor's and master's degrees from Stetson. Upon wrapping up his Stetson baseball career, he spent two years as a player/coach developing the sport in Perth, Australia. He then returned to Stetson as an assistant coach before being promoted to Ticket Manager, Director of Athletic Promotions, and then Associate Athletic Director. In these rolls, he spearheaded the department's development efforts as well as oversaw athletic marketing and promotions, concessions and travel coordination. He was named Director of Athletics in 1996.

Altier also served as Tournament Manager for the NCAA Division I Southeast First and Second Round Men's basketball tournament hosted by Stetson in 1993 and 1996 at the Orlando Arena, and as Tournament Director for the 1999, 2004, and 2014 tournament.

Stetson has taken great strides in the area of gender equity under Altier, increasing scholarships, participation opportunities and staffing for women's

athletics. The unprecedented success of the women's tennis, golf, soccer, basketball and softball teams in conference competition during Altier's tenure are evidence of his commitment to women's athletics. In fact, under his direction Stetson's women's and men's teams have won an impressive 15 conference championships.

A hallmark of Altier's professional career was the building of Stetson's \$4.5 million baseball facility, Melching Field at Conrad Park. Built in conjunction with the City of DeLand, Melching Field is regarded as one of the nation's premiere college baseball facilities. Altier then turned his attention to construction of an on-campus softball facility, which broke ground in 2002 and was ready for competition in February of 2003. Patricia Wilson Field has been named Collegiate Softball Field of the Year six times. He was also instrumental in securing new state-of-the-art field lighting for both the softball and soccer fields in 2005. Under his guidance, the Athletic Department has also seen the addition of the Wilson Athletic Center, a \$ 1.5 million health and wellness facility for the use of Stetson student-athletes.

Stetson athletics has continued to grow under Altier's guidance. Three new sports have recently been added - sand volleyball started competition in the spring of 2012, while women's lacrosse will start in the spring of 2013 and football will return in the

fall of 2013. The program is also growing in terms of staffing and facilities, with construction complete on the \$6.7 million, 25,000 square-foot Athletic Training Facility that houses offices, locker rooms, and sports medicine facilities for the football, women's lacrosse, and men's and women's soccer programs.

Altier's leadership has extended beyond campus, as he has taken on Atlantic Sun Conference leadership roles, chairing many committees and serving as conference vice-president. Additionally, he has served on the National Association of College Directors of Athletics Division IAAA board of directors, the NCAA A.E.C. Cabinet and is currently a member of the prestigious NCAA Leadership Council. Locally he has served as president of the DeLand Rotary Club, vice-president of the DeLand Sports Redevelopment Association, and is a graduate of Leadership DeLand and Leadership Orlando. He is currently a member of the board of directors of the Central Florida Sports Commission. Altier was honored as the West Volusia Sportsperson of the Year for 2004. In 2011 Altier was recognized by his peers in the National Association of Collegiate Director of Athletics as the Under Armour Southeast Region Division I Athletic Director of the Year.

Altier's family includes wife, Sarah (Booker) (Stetson B.A. '82, M.Ed. '96), and children Heath (Stetson M.B.A. '09), Brianne, and Garrett.
