

# STETSON UNIVERSITY

Dear Women's Lacrosse Athletic Trainer:

On behalf of the Stetson University Sports Medicine staff, I would like to welcome you and your team for your upcoming visit to Deland, Florida. If you have any questions or require special arrangements, please feel free to contact me at the numbers below. The Lacrosse game will take place at the Stetson Lacrosse Field located at 401 East Minnesota Avenue, which is approximately .5 miles from the game field. The following items will be provided only at the Lacrosse field on game day:

- 10 gallon cooler of water and 5 gallon cooler of Powerade
- Cups
- Injury ice chest with bags
- Emergency equipment (Golf cart, splints, AED, crutches, etc.)

Our Athletic Training Room is located in the Athletic Training Center, just adjacent to the Lacrosse Field, on E. Minnesota Ave. The Athletic Training Room will be open 2 hours prior to game time, but will close 1 hour prior to game time to allow for pre-game activities. We will provide full access to all of our athletic training room modalities to certified athletic trainers. The use of modalities by student athletic trainers and non-certified athletic trainers will only be permitted when accompanied by a letter of request from the certified athletic trainer or team physician of your institution. If you will not be sending an athletic trainer with your team, please notify us as soon as possible so we can make the necessary arrangements. Our team physicians will be on-call during your stay, and our emergency medical care is Advent Health Hospital Deland located approximately 1.5 miles from the field.

If there is any further information that I can be of help with please do not hesitate to contact me, or our staff. We look forward to your visit. Good luck with your season.

Sincerely,

Taylor Sullivan, MS, ATC  
Assistant Athletic Trainer
