

Dear Soccer Athletic Trainer:

On behalf of the Stetson University Sports Medicine staff, I would like to welcome you and your team for your upcoming visit to Deland, Florida. If you have any questions or require special arrangements please feel free to contact me at the numbers below. The soccer match will take place at the Stetson Soccer Field located on **401 East Minnesota Avenue**. The following items will be provided at the soccer field on game day:

- 10 Gallons of water
- Cups
- Injury ice chest with bags
- Emergency equipment (Golf cart, splints, AED, crutches, etc.)

Our Athletic Training Room is located in the Athletic Training Center, just adjacent to the Soccer Field, on 401 E. Minnesota Ave. The Athletic Training Room will be open 2 hours prior to game time, but will close 1 hour prior to game time to allow for pre-game activities. We will provide full access to all of our athletic training room modalities to certified athletic trainers.

The use of modalities by student athletic trainers and non-certified athletic trainers will only be permitted when accompanied by a letter of request from the certified athletic trainer or team physician of your institution. If you will not be sending an athletic trainer with your team, please notify us as soon as possible so we can make the necessary arrangements.

Our team physicians will be on-call during your stay, and our emergency medical care is **Advent Health Hospital Deland located at 701 W Plymouth Ave, DeLand, FL 32720**, approximately 1.5 miles from the soccer field. If there is any further information that I can be of help with please do not hesitate to contact me or our staff.

We look forward to your visit. Good luck with your season.

Sincerely,

Taylor Sullivan MS, ATC, LAT
